**A guide for children**

EVERY CHILDHOOD IS WORTH FIGHTING FOR

**We know that children can often have different thoughts and feelings about sex. That's why Turn the Page is here to help you understand a bit more about sexual behaviours and help you feel safe and supported.**

Once we know exactly what you need, we'll keep seeing you once a week. You'll get the chance to do different activities like drawing, arts & crafts and games.

Don't worry, we'll take things step by step and work together from beginning to end.

**Turn the Page is a safe space.**

**We aren't here to tell you off – we will listen to you and ask you what you think will help. Everyone here only wants to help you as much as possible.**

When you come to Turn the Page, we want you to feel as comfortable as possible. To do this, you'll be joined by the same people each session. This way, you'll get to know each other really well.

You'll also get the chance to think about the things you're good at, as well as things you're worried about.

**We'll work out what you need from us so that we can help you.**
